

SWW WDB
Needs Team Agenda

SUNY Adirondack Wilton
September 24, 2019 – 8am to 9:30am

Objective(s): All members will:

- A. Be reminded of our sector-based mission from Work Plan.
- B. Have an understanding of the Warehouse & Logistics Index Event.
- C. Have a clear understanding of the business survey constructed to get feedback from businesses needing Warehouse & Logistics services.
- D. Review the survey data and make decisions based on what is seen.
- E. Help determine next steps to react to the Index event and data generated.

1. Work plan review – attachment: Needs Team plan section
2. Description of the Warehouse and Logistics Index event – attachment: Warehouse Logistics Initiative Summary
3. Review the survey used for the Warehouse and Logistics event – attachment: Survey Questions
4. Review the survey data from the 3 Counties – attachment: Warehouse Logistic Survey Results
 - a. What does the data tell us?
 - b. Do we have enough data to develop action steps?
 - c. Do we need additional anecdotal data?
5. Next steps for the Team:
 - a. If more refined information is needed, what are our next steps?
 - b. If we have enough data, what specific services can our workforce system develop that would address the needs of this sector?
6. Good of the order
